## 1. General Provisions

This document is a System Standard that regulates the principles of application of interchange fees (IF) to Mir and Partner Payment System Participants' Transactions, and sets forth the fee rates and main conditions for their charging for Mir and Partner Payment System Participants' Transactions.

The clearing system IF calculation procedure is provided in the *NSPK OPCC Clearing. Interchange Fees*.

Mir Participants shall have the right to determine IF rates different from those specified herein subject to separate agreements between them for the IF change and by notifying the Operator in the format stipulated by the *Standard on Individual Interchange Fee Rates Applied between Mir Participants*. The rates set forth herein shall be applied to all Transactions performed between Mir Participants, unless otherwise agreed by Mir Participants.

The Mir Operator shall have the right to amend and supplement the effective IF rates at its sole discretion subject to prior notification of Mir Participants pursuant to the procedure established by the Mir Payment System Regulations on the System Standards' amendment.

IF rates shall be executed in the Russian Federation currency as a fixed amount or a percentage of the Transaction amount.

The interchange fee commencement date shall be determined pursuant to CPD.

Additional interchange fee rates for purchase transactions performed by Mir Participants under the Loyalty Program are determined in the *Loyalty Program Fee Rates*.

The amount of Mir Participants' additional interchange fee in case of failure of a dispute is determined in the *Mir Payment System Standard. Dispute Resolution Guide*.

## 2. Interchange Fees

### Fees

These fees shall be credited to and/or debited from a Mir Participant's account in favor of the other Mir Participant in rubles or in other settlement currency. Interchange fees are debited or credited depending on the transaction types listed in Subsection 2.1.

### Payment frequency

The fee amount shall be credited/debited within the settlement terms set by the *Mir Payment System Regulations*.

### Payment procedure

A Participant's order to pay Interchange Fees shall be prepared by the Payment Clearing Center on behalf of the Mir Participant and included in the Mir Participant's Net Position. Information on the IF amount shall be included in the Reports generated by the Payment Clearing Center and sent to the Mir Participant. The IF amounts shall not be subject to VAT.

The fee amount is indicated herein net of taxes and duties established by the laws of the Russian Federation and the laws of the Participant's state of registration and/or the state where the Participant runs its business.

All taxes and duties imposed on a service shall be paid above the agreed fees, unless otherwise established by the laws of the Russian Federation and the laws of the Participant's state of registration and/or the state where the Participant runs its business.

Taxes and duties provided for by the laws of the Participant's state of registration and/or the state where the Participant runs its business shall be paid by the Participant independently, unless otherwise stipulated by the specified laws, including international treaties.

## 2.1. IF Payer as per Transaction Type

Transaction	Transaction Description	IF Payer
Purchase Transaction	Payment for goods (works/services)	Acquirer
Refund Transaction	Purchase return or price adjustment	Issuer
Cash Advance	Cash disbursement	Issuer
Reversal (Purchase Transaction)	Purchase transaction is declined by the Acquirer due to a processing error	Issuer
Reversal (Refund Transaction)	Refund transaction is declined	Acquirer
Reversal (Cash Advance)	Cash disbursement transaction is declined	Acquirer
Adjustment	An <i>Adjustment</i> is generated and forwarded by NSPK OPCC CS to the Issuer on behalf of the Acquirer based on the Acquirer's actions on the NSPK dispute platform as part of the dispute business process and following the results of final dispute resolution by NSPK OPCC CS.	Issuer / Acquirer depending on the transaction type
Card-to-Card Transaction	Cardholder initiates money transfer to the Cardholder's account using an Acquirer bank's device	Acquirer
Cash-to-Card Transaction	Cardholder credits the card account with cash	Receiving Issuer
ATM Balance Inquiry	Cardholder requests information on funds available on the card account	Issuer
ATM Cash Disbursement Decline Authorization Message	Authorization message declined due to: a) format error (response code 30) or b) Issuer unavailable (response code 91) – no fee is charged.  All other messages declined (all response codes, except for 00 – successful, 85 – successful verification, 30 – format error, 91 – Issuer unavailable) – fee is charged provided that an authorization message was generated by the Issuer or the Stand-In System	Issuer

Transaction	Transaction Description	IF Payer
ATM PIN Change	Cardholder changed PIN at ATM	Issuer
Request for a Copy of the Transaction Document (RFC)	Issuer requested a copy of the transaction document for dispute resolution	Issuer
Purchase with Cash Back	Cardholder performs purchase transactions using the Mir service <i>Purchase with Cash Back</i> at the Merchant	Acquirer – in terms of purchase transactions (at appropriate rates), Issuer – in terms of cash disbursement
Purchase using the Mir Tips Service	Cardholder performs purchase transactions using the Mir Tips Service	Acquirer – in terms of purchase transactions – at appropriate rates, in terms of tips – at tips rate
Purchase with Digital Certificates	Cardholder performs purchase transactions using a digital certificate	Acquirer
